SARVAM's Consciousness Focused Education is directed to achieve the true purpose of Education which is to make a difference in the quality of a child's life and all those around them.

Education here begins with the personal well-being of Teachers, Parents and Students together. Our approach uses concepts of Ayurveda & Yoga in Education and entwines Consciousness & Wellness across all areas of our distinguished MAAP curriculum.

M - Motor Skills A - Academics A - Arts P - Personality

We are an all-inclusive alternative progressive space, using a mixed age classroom strategy.

“Enlivening Consciousness enlivens all the laws of nature in the awareness of the student and spontaneously gives him/her the ability to think and act according to Natural Law so that his thought speech action will always be in the evolutionary direction.”

- Maharishi Mahesh Yogi

Swati Morzaria
B. Ed M.Phil

Swati Morzaria is a Management and Curriculum Specialist, a certified Yoga teacher and Dancer. She works passionately with children with special needs and neuro diversities. She has more than 22 years of experience from the corporate and education sectors. After completing her MBA, she started her career with Citibank. She later completed her M. Phil and moved on to working as a Financial Analyst and Lead in other MNC's. As the mother of a child with different needs, by 2011 she realized that her true calling was in the Education field. She has since then worked as a Teacher, Special Education Head, Academic Coordinator, Administrator, Trainer, Dean, in many other Educational Institutions. She founded KARVE SCHOOL in 2015 and SARVAM with its unique philosophy in 2019. She dreams of a world where teachers work with the students and fill the gaps that social conditioning and society have deemed difficult.

Mahesh Natarajan
PHD MS

Mahesh Natarajan is a Yoga Acharya and an Ayurvedic Practitioner. His deep desire to serve others is the driving force of his insatiable pursuit of knowledge and experience. He is currently pursuing a Doctorate in Physiology from Maharishi International University, Iowa, USA. He holds a Masters in Integrative Medicine and Ayurveda, from the same university, and a bachelor's degree in Alternate Medicine from the University of Vermont, USA. He has a deep desire to promote Yoga and Ayurveda based education and to improve community health through the same. His special interest is to present ancient knowledge from a scientific perspective while preserving the authenticity of the ancient teachings. The Consciousness Model is at the center of his practice. He emphasizes the connection of the Consciousness Model, Yoga and Ayurveda, in addition to individual accountability and collective responsibility bringing about a unifying aspect to them. As the founder at SARVAM his work and practice with the Consciousness Model is aimed at supporting the management, students, parents and teachers in realizing their fullest potential through engagement at all levels.
